## SUMMARY

I have over a decade of experience in problem-solving, analytical-thinking, communication and leadership. My focus is to deliver reliable, sustainable code solutions and to continuously learn and improve myself and others around me. I adapt quickly to different contexts and thrive in a dynamic, collaborative and happy team environment.

## EXPERIENCE

### Full Stack Developer & Project Manager

#### Salt

01/2023 - 01/2024 Stockholm, Sweden

Implemented and lead several teams in short term contracts with 100% company satisfaction.

### JavaScript Instructor

#### Salt

08/2022 - 01/2023 Stockholm, Sweden

Salt has a reputation for being one of the toughest coding bootcamps in Europe. After completing the JavaScript full stack bootcamp I was offered a position as a JavaScript Developer and Instructor.

- Coaching individuals through 13 week bootcamp
- Reviewing code and giving 1-to-1 feedback to students resulted in a 20% increase in student pass rates

### Teacher

#### Knightsbridge School

12/2016 - 01/2022 London, UK

As a teacher I developed my skills in communication, and conflict resolution. Streamlining the after-schools-clubs program resulted in 50% reduction in requests for information.

### Co-Founder & Product Designer

#### COB ORIGINALS

08/2014 - 12/2016 Shanghai, China

Timeout Shanghai's "Best Designer" 2015, showcasing the brand's standout performance in the competitive market.

- Maintained a 95% positive feedback rate by consistently delivering high-quality products on time
